

Bow & Stern Marine is a family owned and operated full service marina located between Buffalo, NY and Niagara Falls, NY. Paul, Marcia and son, Chris Overkamp have been in business since 1981 and Paul's experience in the marine industry dates back to the "ICE AGE".

We offer a full line of Starcraft aluminum and fiberglass boats, also, Tidewater fiberglass center console models and walkarounds. We now welcome Alumacraft aluminum fishing boats to the Western NY area.

Bow & Stern Marine also offers Mercury Motors, Venture trailers, Load Rite trailers and Trailmaster custom trailers.

We also offer parts for Mercury, Evinrude, Johnson, Mercruiser, and Volvo. If we don't have it in stock, Tim Shields will be sure to locate it. Our marina services include new and used boats, boat slips up to 27', boat shrink wrapping, and winter storage. Our equipment, forklift, rubber tire crane, two travel lifts with capability of lifting up to 30,000 lbs.
